## TEAM CLASSIFICATION

All pool placings shall be determined according to the number of competition points earned.

Point Scores:	Win	3 Points
	Tie	2 Points (No Overtime in Pool games)
	Loss	1 Point (includes default)
	Forfeit	0 Points

In the event of two teams being equal for a position, preference will be given to the team winning the game played between the two equal teams.

If more than two teams are equal for a position, preference will be given to the team with the best goal average between the equal teams. This is decided by:

$$\frac{\text{Points for}}{\text{Points against}} = \text{Points percentage}$$

Only the games played between equal teams are counted towards determining the points percentage.
