## TIMING RULES

All games will be played as per the current FIBA Rules with game timing as follows:

- 8 min quarters fully timed
- Quarter time - 1 min, Half time - 2 mins
- No overtime will be played in the pool games. Overtime in crossover games will be periods of 3 mins until a result is obtained.
- Warm up time - 3 mins

## TEAM CLASSIFICATION

All pool placings shall be determined according to the number of competition points earned.

Point Scores:	Win	3 Points
	Tie	2 Points
	Loss	1 Point (includes default)
	Forfeit	0 Points

In the event of two teams being equal for a position, preference will be given to the team winning the game played between the two equal teams.

If more than two teams are equal for a position, preference will be given to the team with the best goal average between the equal teams. This is decided by:

$$\frac{\text{Points for}}{\text{Points against}} = \text{Points percentage}$$

Only the games played between teams equal on points are counted towards determining the points percentage.

- Each team competing in the State Championships must supply two Scoretable officials for each of their games
- Basketball Queensland will be supplying Molten BG4000 as the official game ball
- No Team Passes will be issued at this year's State Championships due to COVID-19 restrictions

The U14 Boys State Championships will operate under the 2020 State Championships Policy and the current FIBA Rules.

Please note for any rules that slightly differ between these documents the State Championships Policy takes precedent. If either set of rules are silent on a matter arising in relation to the State Championships, the BQ Competition Manager may decide about how the matter is to be dealt with. As part of nominating for the Championship teams accept the chosen format of Basketball Queensland and acknowledge that they must play under this format with no option to challenge it.

# **No Zone Rule**

Coaches are reminded the "no zone" rules apply for the Under 14 State Championships. In the interest of better player development, coaches should ensure defences are only those which incorporate man to man principles.

## **Definition of Zone Defence**

- Any defence in the half court which does not incorporate normal man to man defensive principles
- Trapping defences which rotate back to man to man defensive principles are acceptable

## **Violations of Man to Man Defence**

Violation of the "no zone" rule will generally fall within one of the following categories:

- One or more players are not in an acceptable man to man defensive position in relation to the player they are guarding and the player with the ball;
- A cutter moved all the way through the key and was not defended using acceptable man to man defensive techniques (e.g. bumped, switched, followed)
- Following a trapping or help and recover situation the team make no attempt to re-establish man to man defensive positioning
- Teams Zone press and did not assume man to man defensive positioning once the ball was into the quarter court.

## **Penalties for use of Zone Defence**

Zone Busters will be monitoring all games and enforcing the "no zone" rule at all U14 State Championships. The penalties for the use of a zone defence are as follows:

1. First offence - warning - speak to coach
2. Second offence - Technical Foul
3. Third offence - Second Technical Foul - disqualification of head coach
4. Fourth offence - Third Technical Foul - disqualification of assistant coach
5. Violations throughout the Championship - If a team has been penalized for playing "zone defence" in two or more games during the Championship, the Championship Technical Committee may take further disciplinary action including, but not limited to, disqualification and loss of points.

For further information on how the "No Zone" Rule will be implemented at this State Championship please refer to the Zone Buster Manual produced by Basketball Australia.
