Management of Unwell Participants & any Potential Outbreak

Any unwell participant will need to self-isolate and produce a negative COVID-19 result before returning to the venue.

In the event that there is a confirmed case of COVID-19 Basketball Queensland will follow all directions from Queensland Health. The course of action dictated by Queensland Health is impossible to determine, but it may require the stadium to be cleaned or, in an extreme case, the rest of the tournament may have to be cancelled.

Wearing of Masks at the Tournament

Spectators, coaches, team managers and officials (Scoretable/Statisticians) will need to wear a mask at all times inside the venue and outside where it is not possible to maintain 1.5 metres social distancing. Entry to the U16 State Champs will be denied if masks are not worn upon entry. Children under 12 years old and people affected by a medical condition or disability are exempt from wearing a mask and you can remove your mask to consume food or drink

Players and Referee do not need to wear a mask while on the court playing/refereeing. Players and referees must wear a mask at all other times inside the venue (when on the bench/not playing) and outside where it is not possible to maintain 1.5 metres social distancing.

If you're having difficulty breathing while wearing a mask (including if you are out of breath or puffing from playing/running on the court) you are permitted to remove the mask.
